

Anti- Bullying Week 2015

The third week in November was anti-bullying week. The theme was 'Make a Noise about bullying'. The aim of the week was to educate and encourage children our children to make a noise about bullying, whether it's happening to them or to someone else, face-to-face or online.

We started the week off with an assembly led by PC Stone, who discussed the different forms of bullying with the children to make a noise about bullying whether it's happening to them or to someone else, face-to-face or online.

Throughout the week the children have been involved in different activities related to all types of bullying and the impact of bullying on children's lives

Bullying must stop
Upset is how I feel when I get bullied
Let me be your friend
Let me be free
You don't need to bully me
I don't want to fight I want to learn
Nervous to work, bullies might make fun of my work
Going home not getting bullied
