1. INTRODUCTION

- a. One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.
- b. To do this we must produce a publication scheme, setting out:
 - i. *The classes of information which we publish or intend to publish;*
 - ii. *The manner in which the information will be published; and*
 - iii. *Whether the information is available free of charge or on payment.*
- c. The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.
- d. Some information which we hold may not be made public, for example personal information.
- e. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.
- f. The school's management and governing body aims to respond to requests within 20 working days.

- g. The headteacher has the day to day responsibility for implementing this policy. If there is any doubt about whether information should be released then the headteacher and chair of the governors should be consulted who may need to seek advice from the Local Authority. If an exemption is to be applied then this and the reasons why should be made clear in the response to the enquirer.

2. THE LAW

- a. Wilfully concealing, damaging or destroying information in order to avoid answering a query is a criminal offence. As legislation is often amended and Regulations introduced, the references made in this Guide may be to legislation that has been superseded. For an up to date list of legislation applying to schools, please refer to the GovernorNet website www.governornet.co.uk.

- i. Freedom of Information Act 2000: Section 19

3. CATEGORIES OF INFORMATION PUBLISHED

- a. The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future - this is split into categories of information known as 'classes'. These are contained in section 5 of this scheme.
- b. The classes of information that we undertake to make available are organised into four broad topic areas:
 - i. *School Prospectus* - information published in the school prospectus.
 - ii. *Governors' Documents* - information published in governing body documents.
 - iii. *Pupils & Curriculum* - information about policies that relate to pupils and the school curriculum.
 - iv. *School Policies* - information about policies that relate to the school in general.
