

Barncroft Primary School

Newsletter Number 30 – 06/05/2016

News of the Week - Friends of Barncroft has set a new date for their AGM, it will now be held on Friday 13th May at 2pm

Important

Please be aware that it is the Year 6 SAT'S, starting Monday 9th May. If you enter the school or are outside on school grounds please keep noise and disruption to a minimum, as the whole school will be in use. We thank you for your co-operation.

Reminder

Please may we remind you that all children need to wear sensible dark enclosed shoes, as per our school prospectus. Unfortunately open toed footwear is not acceptable as it does not offer enough protection.

Good news here is a report from our first Netball match

After school on Friday 29th April, the girl's netball team went to Purbrook Junior School for a netball match.

To start, the Barncroft Blues went against the Purbrook Red team. They were so aggressive that they got 4 goals in and the Barncroft Blues got none.

Barncroft Blacks defended their first opponents with an impressive 5 - 0.

On the second round, the teams swapped over allowing the Black team to go against the most aggressive team, unfortunately they were beaten 3 - 0. To keep it an even playing field, the Barncroft Blues finished their last game one goal against none. The rain managed to hold off just in time for the final whistle, ending the afternoon with 2 winning games to each school.

All 20 girls did their school proud and look forward to the rematch next month. Report by Caitlin Kirk (Procyon).

Philosophy Homework

This weeks question...
Where would you prefer to sleep
in a haunted house
or
in a dark cave?

The most popular choice was: in a haunted house.

P4C Learning Cards

This week we have awarded
5 - ORANGE
5 - YELLOW
8 - GREEN
7 - BLUE
2 - VIOLET

Kuma News

The count down to SATs has begun, and across Year 6 we have been working incredibly hard to ensure we are ready! We have been developing our reasoning skills throughout maths; applying our detective skills in reading; and experimenting with clauses, commas and colons in English!

We have also had opportunities to don our lab coats and conduct our own experiments in science! We have explored the different states of matter, recognised how materials are able to change when exposed to different conditions (did you know that you would probably want to take chocolate to the blistering desert with you rather than mango?) and tested how to separate salt from a saturated solution using evaporation.

We are filled with confidence that all of our hard work will pay off, not just for SATs, but for our up and coming Science Fair too!

Diary Dates

09/05/16 - Y6 SAT week

13/05/16 - FOB AGM 2pm

16/05/16 - Vega trip to Staunton Country Park

17/05/16 - Polaris trip to Staunton Country Park

30/05/16 - HALF TERM

06/06/16 - INSET DAY

10/06/16 - Sports day, PM

20/06/16 - Y3/4 Swimming Gala, PM
