

Barncroft Primary School

Newsletter Number 16 – 13/01/2017

News of the Week - FOB are asking for any unwanted gift bottle bags in preparation for our Summer Fayre

Parking

Unfortunately we have received several complaints from the local residents regarding inconsiderate and unsafe parking, particularly within the Pipits Close area. Please can we remind parents to show respect and courtesy when dropping off and collecting their children, taking care not to block driveways or block footpaths. These incidents have been reported to the council, who will be monitoring the situation. Thank you for your continued support.

Healthy Lunchbox

We would like to remind you that your child should not have any drinks included in their lunchboxes. We provide every child with a drink of milk, apple or orange juice or water. Please also ensure their lunchboxes include a balance of foods and be aware that Barncroft Primary is a nut free school.

Well Done to all our Proud Cloud Winners

We would like to congratulate all our Proud Cloud winners from last half term. They are:

Kai Minett, Maddison Elkington, James Andrews, Holly Wood, Liam Chandler, Bethany Hoggarth, Owen Frost, Anthony Duggan-Pond, Harvey Sharpe, Kiera Beardsworth, Ellie-Jay Slidel, Jake Anderson and Anders Palmer.

Well done to you all.

After School Clubs

Our after school clubs are now back up and running. Please collect a letter from the office for any club your child would like to attend.

Change of Dinner Menu

On Tuesday 24th January, there will be a change to the menu. We will be celebrating the Chinese New Year. Please see the attached menu for your choices.

Philosophy Homework

This week's question...

Would you rather have chips
or sweets?

The most popular choice was:
have sweets.

P4C Learning Cards

This week we have awarded:

38 - Red
11 - Orange
1 - Green
1 - Yellow

Beid News

Now that we have returned to Earth following our recent Space topic, Beid are fully immersed in their new Ancient Egyptian topic. They have been given the opportunity to have in a say in how they will become Egyptology experts and it is clear that their independent learning skills are progressing well.

In English, we will be extending our diary entry and newspaper report writing skills. Problem solving in maths will enable the children to stretch their current understanding. Our computing unit involves cracking codes, such as semaphores, which links in perfectly with Ancient Egyptian hieroglyphics. In science, we are exploring the impact of forces through practical investigations.

Homework continues to be an important part of the learning journey. Progress in spelling and times tables recall has been very positive since the start of Year 5. Well done Beid!

Diary Dates

18/01/17 - Gemini Assertive Mentoring Meetings
