Pipets Mews Reminder

We have received a complaint from Pipets Mews estate, can we just remind you that:

- Pipets Mews is a private estate and as such parents should not be parking in the estate to drop off or collect their children from Barncroft.
- Parking enforcement has been implemented and **Parking fines** will be issued to any vehicle parked on the development outside of a driveway or parking space. Trinity Estates will also be issuing visitors permits to their residents. Any vehicle parked in a visitors parking bay without a permit will also receive a parking fine.

After School Clubs

If your child attends any after school clubs can you please ensure that you collect them promptly. Also if your child does not wish to attend at any given time, even for one session, please call the office where the reason can be recorded. Many thanks for your continued support.

Zero Tolerance Policy

We would like to remind you that we have a zero tolerance policy at Barncroft. Unfortunately we have had an increase in numbers of reports of inappropriate language being used at the start of the day and at the end of the day. We would like to ask all adults to think about their language and behaviour when they are on the school site.

Car Park & Car Parking

May we ask that no parent/carer or child walks through the car park gates, please use the pedestrian gate at the front of the school. This is for your safety as well as the childrens'. Please note that only Blue badge holders are permitted to park in our car park to drop off and pick up children and if you have an able bodied adult in your car, please do not use the disabled bays as they are limited.

Once again we thank you for your continued co-operation.
