

Barncroft Primary School

Newsletter Number 22 - 03/03/17

News of the Week - Your child should have received a book token this week ready for the book fair, please check.

Red Nose Day

We will be selling red noses from Monday 6th March 2017. Children will come round to class selling them or you can pop into the office to make a purchase. This is always supported extremely well so we thank you in advance for your continued support.

School Nurse Drop In

The School Nurse team will be coming in at 9.00am on Tuesday 7th March 2017. There will not be a set topic so you will be able to discuss any concerns, worries or issues you may have about your child. The session will last approximately an hour and many people have found them very helpful, so please feel free to come along.

After School Activity Club at Park Community

This club has now been up and running for a few weeks and the feedback we have from the children who attend is that they really enjoy it and the activities that they take part in are great fun.

A member of Active Kids comes to our school at pick up time and then safely walks the children to Park, so you do not need to worry about taking them to the club. You can do as many days or as few as you would like, there is no minimum. If you would like to have a look at the club they have a Facebook page, [FACEBOOK.COM/ACTIVEKIDSCIP](https://www.facebook.com/ACTIVEKIDSCIP), so please feel free to take a look. If you would like any further information just visit the office and we can give you the relevant forms.

Dogs at the school gates

Please may we request that if you tie dogs by the back gate that they are all put on one side of the path. We have several children who are afraid of dogs and their parents find it hard to walk their children into or from school if there are dogs on both sides of the path. We hope you will support the school in this request.

World Book Day

Just a reminder that Bug Club has arrived at Barncroft and it can be used at home too. It is packed with engaging resources and rewards to help our children become confident readers. Individual logins have been sent home and the link to the Bug Club website can be accessed from our school website on the Our Learners, Learning Links page. Please speak to your child's teacher if you have not received the log in or are having problems using it at home. Thank you.

Philosophy Homework

This week's question...

Would you rather have a bunny rabbit tail
or
donkey ears?

The most popular choice was:
a bunny rabbit tail.

P4C Learning Cards

This week we have awarded:

10 - Orange

1 - Yellow

1 - Blue

Stars Class News

We are writers

In Stars class we have been busy developing all the skills we need for writing. These include the physical control to hold a pencil, learning how to use sounds to build words, and finding out what the letter shapes look like.

Now we are becoming budding writers, keen to put all our skills together.

In Stars class we write everywhere; on chalkboards, with paintbrushes outside, in our dens and role play areas as well as in our special English books.

We write labels for models we have made, letters to our friends, shopping lists for our home corner games, and this week we have even been writing about underpants as part of our topic work on 'Aliens Love Underpants'

Diary Dates

08/03/17 - Gemini Assertive Mentoring Meetings
 10/03/17 - Kuma Assertive Mentoring Meetings
