Newsletter Number 27– 7/04/17

News of the Week - Reminder - First day back Monday 24th April 2017. Have a Happy Easter.

A reminder about attendance and lateness

To get the most out of school, children need to attend every day and be on time. School attendance directly impacts on outcomes. Children who attend school every day and on time are more likely to achieve better results. If you are having any problems getting your children to school regularly or on time please do not hesitate to contact the school office or Lynda Burgess our home-school line worker, on 07929876027, who will be able to help.

Lateness:- Can we please remind parents that school starts at 8.45am. A prompt start to the day is very important to the children's learning and sadly the numbers of children who are arriving late have increased recently. Parents of children who are persistently late will be invited in for a meeting next term where we can discuss possible solutions.

Absence:- It is the parents responsibility to let us know if their child is unwell, either ring school or text Lynda Burgess on 07929876027. Any unreported absence will be recorded as unauthorised.

Leaving school early:- Please can we urge parents to book appointments, outside of school hours unless it is an emergency.

Holidays:- We ask that parents always complete a form. Please do not tell us your child is unwell if you are on holiday. You run the risk of being fined for non- attendance, if it is brought to our attention that they are on holiday.

Parking

Unfortunately we have received more complaints from the local residents regarding inconsiderate and unsafe parking, particularly within the Pipits Close area. Please can we remind parents to show respect and courtesy when dropping off and collecting their children, taking care not to block driveways or footpaths.
