Procyon News

Summer term.

This term Procyon are learning all about Healthy living. We have been looking at all about how to stay healthy, what is classed as unhealthy and how our bodies work to digest food.

We have lots of exciting things to look forward to this term including a school trip to Pizza Express and a chance to try first hand at how poo is made!

Sport Day

Last Friday the whole school took part in the Sports Day afternoon, however Procyon class had been working really hard towards our special event. We have been learning all about the Olympics and the children made their own Olympic torches to take around with them. All the children enjoyed their day, especially meeting Dilly Newton, the Olympic athlete.
