

Barncroft Primary School

Newsletter Number 37– 01/07/2016

News of the Week - We apologise to Amy Graham for last week's bingo congrats as it was put as Abby.

Important Notice

As some of you may already be aware, on Tuesday 5th July one of the Teaching Associations, the NUT, is planning industrial action.

At Barncroft Primary our intention is to have as normal a school day as possible. Alternative arrangements will be made in school for those students whose teachers are taking action. At this time, we have no intention of closing the school. Should the situation change we will inform you as soon as possible.

Amendment

Following our wonderful uptake of the Y6 End of Year Performance tickets, the Wednesday performance will start now at 1.30pm not 1pm. This is due to getting the hall ready after lunch time. Thank you all for your support.

School Fundraising Scheme

Book People's School Fundraising Scheme is a way of raising valuable funds for us at Barncroft. At the moment they have a special offer on for Barncroft, which offers you three books for the price of two on Summer Fiction. This offer expires at midnight 5th September 2016.

For every order they receive they will donate 10% to the school which will help all of the pupils in all year groups. You will need to quote the school code **k3qJapM** on every order. So please log on to www.thebookpeople.co.uk/school-fundraising, if you would like to make a purchase. Once again thank you for your continued support.

Congratulations

Well done to Cameron Holdaway (Stars) and Chloe Clark (Saturn), who won the attendance raffle. They will soon be going shopping to choose their new bikes.

Philosophy Homework

This week's question...

Would you rather be
a forest
or
a street?

The most popular choice was: A forest.

P4C Learning Cards

This week we have awarded

3 - RED
2 - ORANGE
1 - YELLOW
9 - GREEN
8 - BLUE
5 - VIOLET
1 - WHITE

Neptune and Jupiter News

Portchester Castle

Last week all of Year One went on a school trip to Portchester Castle. We all got very wet! We had a talk from castle experts who chose some children to dress up as a king and queen and the rest of us were servants. They told us about why the castle was built, who lived there since Roman times and what life was like.

Butterflies and Digging

This week we have been busy digging up our potatoes for the whole school competition. We hope we win! In science, we have been studying the life cycle of a butterfly, watching them change from caterpillars to chrysalis. Now they are beautiful butterflies and we've just released them into the school grounds.
