Newsletter Number 40 – 20/07/2016

News of the Week - Fairthorne Fundraising, Thank you to everyone who has helped we have raised £1,180.13.

We would like to thank everyone for all of your support and help over the last year. We wish you a safe and happy holiday and will see you back on Wednesday 7th September.

Y7-Y9 Awards

We are really proud to hear that 20 ex pupils were named in the Y7-Y9 awards evening at Park Community. They were in the top 30% of their group.

Good News

We have had another successful year with winning the overall prize for the Purbrook Horticultural Society Inter Schools Competition. We have received a trophy and £25 to spend on our garden. Children from YR to Y3 decorated gloves, made soup, drew pictures for the Queen's 90th birthday and also printed a table cloth using vegetables.

The children have also grown potatoes to see which class could grow the most weight of potatoes. 1st place went to Neptune with 2.535kg, 2nd Sun with 2.402kg and 3rd place was Vega with 2.18kg.

Bear in the World

The summer holidays are here. As Geography subject leader, I would be very interested to find out places visited by our children **and their bears** over the summer.

It would be fantastic if your child could bring in a photograph of a place on their travels, labelled with your child's and Bear's name and the location of the place visited.

It could be a local place, including your garden or the park, anywhere in the UK or abroad. I look forward to seeing some lovely photographs with which I can make a display in the school.

Happy travel's.

Mrs Redding.

Sunflower Sale

Thank you to everyone who supported us by buying a sunflower plant. We raised £22, this will go towards new bulbs and plants for the winter.

Eat your own potatoes competition.

We have received a £50 garden gift voucher for our winning entries of 2 different ways to cook and eat potatoes. Saturn class made "Saturn spaceships" and Mars class made "Mars meteorite's".

Kuma and Gemini Farewell

It is nearly time to say goodbye and good luck to all our amazing Year 6 learners.

What a journey we have shared, working together to develop their knowledge, understanding, independence and confidence so they are fully prepared for their move to secondary school.

As they leave Barncroft, we hope they will continue to follow the British Values and 6Rs which have helped them to become the responsible, happy citizens we aim for in our vision.

Kuma and Gemini - you have all been amazing and together we have so many happy memories to share. Have a great summer break and be ready to conquer all the exciting new challenges that lay ahead.
