

### **Subject Leader's Vision Statement: PE and Sport**

At Barncroft Primary School our vision for Physical Education and Sport is that every child should have the opportunity to take part in physical activity on a regular basis and become more physically confident and competent. We hope that, through all the sporting opportunities and physical activity we offer, the children will potentially develop a love and passion for sport and continue this into their later lives.

We aim to provide the children with at least 2 hours of fun, exciting and active PE lessons every week and to keep the children healthy and active every day with at least 30 minutes of physical activity a day and by educating them on a healthy, balanced diet and lifestyle.

At Barncroft, we also strive to give as many children as possible the opportunity to compete in a variety of competitions, during school time or by representing the school at local events. We hope that in doing so the children will develop greater confidence, team work and learn to win or lose with grace and sportsmanship.

Afterschool clubs are also an important part of the PE journey at Barncroft and we offer a wide range of activities over the school year with strong community links also formed and children signposted to further take part in the sports they experience.

PE and Sport are a proud part of the Barncroft experience and we hope that this continues to grow in the future and prepare our children for life after Barncroft.
