Breakfast Club

We have had some seasonal themed breakfasts leading up to Easter.

There were Rabbit shaped crumpets and scrambled egg on toast. The usual breakfast items of toast and cereal were also available.

After we have eaten

After we have eaten we go to play. We can either go on the playground (years 1-6) or we can go in to the hall (years R-6).

The warmer weather is hopefully not far away, but at the moment we are still asking the children to wear their coats for outside play. The exception to this is if a child is playing football they may choose whether or not to wear a coat.

In the hall we have games, puzzles and colouring. We also get the PE mats out for the children to sit on while playing.

What I love about breakfast club

By Chloe Williams (Libra)

I love your hot chocolate

I love it when we do colouring in the library

I love the different kinds of toast

I like the way you do different kinds of cereals everyday

I like it when in the hall, the YR's have a separate line

I like it when you put the mats out and put the games on each mat

I like that you have breakfast club because I end up late but I don't now

I give the rating out of 10 and it is a10 yay
