## Believe Achieve Succeed

### Subject Leader's Vision Statement

At Barncroft Primary School, we believe that literacy and communication are key life skills. Through the English curriculum, we will help children develop the skills and knowledge that will enable them to communicate effectively and creatively through spoken and written language and equip them with the skills to become lifelong learners.

Literacy is at the heart of all children's learning. It enables children both to communicate with others effectively for a variety of purposes and to examine their own and others' experiences, feelings and ideas, giving these order and meaning. Literacy is central to children's intellectual, emotional and social development it has an essential role across the curriculum and helps pupils' learning to be coherent and progressive.

Barncroft firmly believe that the teaching of the English curriculum will be inclusive to all children, inspiring them through *an outstanding learning experience, which will enable them to make good progress and leave us as responsible, happy citizens.*
