

Barncroft Primary School

Believe Achieve Succeed

Subject Leader's Vision Statement

At Barncroft Primary School we aim to teach Modern Foreign Languages to all our Key Stage 2 children in a fun and interactive way as part of an outstanding learning experience. Our aspiration is to ensure that all children make good progress through engagement and inspiration. We encourage them to develop skills and apply them in a variety of ways to communicate in a different language.

We want to encourage our children to become aware of other cultures and languages around them so that they leave Barncroft as responsible, happy citizens with some understanding of the French or Spanish language and its culture. Children will have opportunities to share their learning in a variety of ways, such as assemblies and celebration days.
