**This week was anti-bullying week. The theme was 'Make a Noise about bullying. The aim of the week was to educate and encourage our children to make a noise about bullying, whether it's happening to them or to someone else, face-to-face or online. We started the week off with an assembly led by PC Stone, who discussed the different forms of bullying with the children to make a noise about bullying whether it's happening to them or to someone else, face-to-face or online. Throughout the week the children have been involved in different activities related to all types of bullying and the impact of bullying on children's lives**
