News of the Week -

Car Park

Please can parents be extremely cautious when driving into the school car park to drop children off at Breakfast club as there was a near miss with a child walking across the gateway this week. Please give way to pedestrians if possible and drive slowly.

Parents walking please keep your child next to you and do not let them run ahead near the gateway. Thank you for your co-operation.

Fundraising News

This year we have decided to hold a 'Charity Day' on Friday 18th March. The day will be in support of Brain Tumour Awareness, Sports Relief and Down's Syndrome Awareness. As these fundraising events are all close together, we have decided to raise awareness on one day and all monies will be shared equally.

For a donation, children can come to school wearing:-

A hat or bandana for Brain Tumour Awareness

Sports clothing for Sports Relief

Lots of socks for Down's Syndrome Awareness

Or a combination of all three.

Jupiter News—Toy Stories

Last week's exciting introduction of our History topic involved sorting old and new toys, as well as looking at some of our own toys from home. This week the intrepid historians interviewed adults of varying ages, finding out directly about the toys they played with in the past. This linked closely to Maths as the children used tables and graphs to analyse their findings and look for any trends or patterns.

With it being Mother's Day on Sunday the class have also allowed their creativity to flow with the production of a beautiful, unique and individual card with a teapot design. Combined with our PSHE assemblies where we have looked at our emotions and 'nice' surprises, we hope you all have a wonderful weekend.
