Congratulations

We would all like to say a huge well done and congratulations to all of our Year 6 pupils. They have completed their SATs and shown great maturity and excellent behaviour throughout the week. We also want to say thank you to all the other year groups who have shown great consideration around the school while these tests took place. So once again well done to the whole school.

Plant sale

A huge thank you to everyone who supported our plant sale. We raised £233, which will go towards gardening equipment.

Beid News

Art Week

Last week the class took part in a school-wide art week. The children were given the opportunity to produce their own art work inspired by paintings by L.S. Lowry. Our year group had a painting called 'The Football Match'. At the end of the week we were able to showcase our work to the rest of the school by taking part in an exhibition. We created line-drawings, paintings and watercolours. Libra class even produced 3D football pitches!

Healthy Heroes

To kick off our topic for this term we made 'healthy meals', thinking carefully about which ingredients were good for us and which combinations of flavours would be most appealing. You can see some of our creations in the photos.
