Newsletter Number 32 – 20/05/2016

News of the Week - Half term Monday 30/05/16 - 03/06/16. First day back Tuesday 07/06/16

Reminder

Could you please remember to label all school uniform, now the weather is turning warmer we are finding un-named uniform around the school. If it is named we can hand it straight back to the pupil. Many thanks.

Year 6 Science Fair

The whole school had great fun and improved their science knowledge when they participated in the Year 6 Science Fair last Friday. Luckily the sun was shining so the fair was set out in the school playground.

It all began earlier in the week when the Year 6 children were challenged to design their own stall and lead the learning that would take place on it.

Examples included:

Electricity circuits with conductors and insulators, sound experiments, reversible and irreversible changes, floating and sinking including a build a boat challenge and sensory experiments – tasting fruit including lemons!

It was a real treat for all – thank you Year 6. Year 5, the bar has been raised – what will you plan when it is your turn?

Polaris News

On Tuesday 17th May, we enjoyed a lovely trip to Staunton Country Park.

Firstly, we became explorers to find something within the park that began with each letter of the alphabet. Some of the letters were easier to find than others!

Next we encountered the gorgeous animals. We even met a very cheeky goat who tried to eat all of the food and even the bag that it was in!

After that, we then managed to complete another four 'things to do before you're 11 3/4'. That's twelve in total from our two trips so far this year.

We fed the animals, got lost in the mysterious maze and enjoyed a delicious picnic.

The sun was shining and we had the best day ever!
