

Barncroft Primary School

Newsletter Number 08 – 04/11/2016

News of the Week - Poppies will be on sale from Monday 7th November.

Reminder

Please remember to show respect and courtesy to the residents in the area surrounding the school. Please do not block private drives, block the roads or park on private grounds when bringing your children to school or collecting them. Thank you for your continued support.

Bonfire Lunch

On Monday 7th November there will be a change to the normal menu. It will be a themed bonfire lunch, please see the attached menu for your choices.

Congratulations

We would like to congratulate Caitlin Kirk and Talia Hachem who have recently completed their JRSO (Junior Road Safety Officer) training and will be working with our existing team to remind children of key road safety messages.

Opportunity

We have another fantastic opportunity on Tuesday 8th November. The School Nurse team will be coming in at 8.45am and will be in the E/TEACH room. The main topic will be toileting but if you have any worries or issues with your child please feel free to come along and raise your concerns/questions. The session will last approximately an hour and many people have found them very helpful.

Changes to 2016 - 2017 Dates for your Diary

Libra class assembly on 9th November and Beid class assembly on 16th November are now at 9 am and not 9.30 am as stated. The children's Christmas lunch will now be on the 15th December rather than the 14th. Also the YR swimming showcase has been moved to the 28th June 2017 rather than 12th July 2017 and will be for Stars class. We can also confirm that the swimming showcase on the 19th July 2017 will be for Sun class.

Please amend your 2016 - 2017 Dates for your Diary to reflect these changes.

Please note all dates are still subject to change, we will endeavour to give as much notice as possible.

Netball Club

Netball Club which runs on Fridays from 3.20pm - 4.15pm is now open for Year 4 boys and girls, please collect a permission slip from the office if your child is interested in joining Netball Club..

Vega News

We have really enjoyed learning about the Stone Age in Vega Class this term. We have been reading the stories of "Stig of the Dump" and "The Stone Age Boy", learning about rocks and soils in our science work and we have even composed and performed our own Stone Age music with Mr McBeath!

In English, we have been looking at plot, character and settings and using stories we have read to inspire our own writing. In maths we have been working with money, developing our understanding of place value and thinking about how we can use resources to support our learning.
