Aquarius Class News

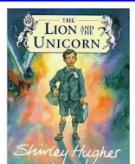

Aquarius class have started the term learning about World War 2.

We have been thinking about the effects of the war on the children, particularly those children that were evacuated to the countryside.

Many of the children in class have got stories about relatives who were either in the war or who know a great deal about it. It has been fantastic to hear all the different stories of bravery.

The quality of the children's homework has been absolutely incredible with many children doing independent research to find out about this period of history. It has given our topic a fantastic start.

We are looking forward to studying some artefacts from the 1940s towards the end of the month too.
