or

be homeless with your friends and family?

The most popular choice was: Be homeless with friends and family.

## Mars News

Year 2 have been thinking about special places. We have thought about how we feel in our special places. To help us understand special places, we visited St Francis church.

Father Jonathan talked to the children about how the church was different to other places and what special features it had. Everyone got to try ringing the bell and explore the church building.

It was a fantastic opportunity for the children to experience a special place and their behaviour and comments throughout demonstrated what wonderful children we have at Barncroft!
