School Car Park

We have had a large increase in the number of Blue Badge holders who are using our car park at the start and end of the day. Due to this increase we may need to ask for those cars to be moved so that we can ensure everyone who needs to, can use the car park. The car park is not open to drop off children before 8.30am and is not open to collect children before 3pm. Please be mindful that our car park is a busy place and we therefore politely ask that users leave promptly. We would also ask that those using the car park do so with consideration to all other users. Please be aware that if the site team ask you to move, they are doing so to ensure safety of those using the car park.

Courtesy to all

Please can we ask that everyone who comes onto our site is mindful of others especially wheelchair users and particularly on our narrow paths leading to the classrooms. Many thanks for your support.

Neptune Class News

This half term our topic is Sparkle and Shine. We have learnt about Guy Fawkes and the history behind bonfire night and have written our own short firework poems.

We have been on an autumn walk to look for changes in the seasons and found some nocturnal animals along the way...ask us what nocturnal means. This linked to the book we are reading called 'Flashlight'...ask your child what is different about this story.

In science we are finding out about different materials. We have been looking at what things are made out of and will be looking at their properties. This is going to help us with an investigation in a few weeks time...watch this space!
