

Barncroft Primary School

Newsletter Number 18 - 25th January 2019

Swimming Reminder

A quick reminder with regards to which year groups are swimming this half term. Please ensure your child's swimming kit, which should include a full swimsuit/shorts and a towel, is in on these days.

Year	Day	Time
Y2	Wednesday	9am
Y4	Wednesday	1pm
Y5	Friday	9am
L2L	Friday	11am
YR Stars	Friday	1pm

After School Clubs

If your child attends any after school clubs can you please ensure that you collect them promptly. Also if your child does not wish to attend at any given time, even for one session, please call the office where the reason can be recorded.

Important Information

If your child brings their bikes or scooters to school please make sure you provide your child with a bike lock everyday. The school cannot take responsibility for any unlocked bike/scooter whilst on the school grounds. Can we remind parents/carers not to allow children to ride scooters or bikes on the playground before school and at the end of the day. This includes older or younger siblings who are involved in dropping off or collecting your child. Also please be reminded that children are not to climb on any walls or railings that are on the school grounds.

Reminder

Please note that we ask that your child has no extreme hairstyles - no shaved patterns or Mohicans. Short hair cuts should not have anything less than a Grade 2. Long hair should be tied back and hair should not be coloured.

Havant School Nursing Team

Havant School Nursing team are once again offering a drop in session on Thursday 21st February 2019, between 12 noon and 2pm at Park Community school. The drop in is available to all school aged children in the area, please feel free to come along and talk about any health issues you may be concerned about.

Headlice

We have had several cases of headlice reported in school recently. Please could everyone check their child's hair and treat if necessary. There are many ways to treat headlice, you do not need to buy expensive lotions. One effective way is to put excessive conditioner on the hair and comb through with a nit comb, then repeat every two days for a week. If everyone checks and treats their children's hair, then there will be less chance of re-infection.

Philosophy Homework

This week's question...
Would you rather do school work
as a group
or
by yourself?

The most popular choice was:
by yourself.

P4C Learning Cards

This week we have awarded:

1 - Red
9 - Orange
5 - Yellow

Jupiter Class News

Crumbling Coasts

We started our Spring Term off with a SNAP and a HISS with a fantastic visit from Zoo Lab! Heather brought in a cockroach, a Giant African Snail, a snake, a guinea pig, a tortoise and even a tarantula. All of Jupiter were incredibly brave and had a go in holding the creatures that visited us - even Saturn the Snake!

We learned about the six animal categories and how animals can be either a carnivore, a herbivore or an omnivore.

We have since been looking at all kinds of animals as part of our Super Safari topic and learning about the way we can group them, and using this information to write our own exciting fact files about our chosen animal. We have researched our animal using the computers, learning how to log on, stay safe online and search and save pictures.

We have also used our knowledge of patterns to create animal footprints from shapes, and have studied animal patterns in our Art lessons.

Diary Dates

28/01/19 - Kuma Assertive Mentoring Meetings, am/pm
 31/01/19 - Kuma Assertive Mentoring Meetings, pm
 01/02/19 - Kuma Assertive Mentoring Meetings, pm
