## Safer Internet Day 2018

Safer Internet Day will be celebrated at Barncroft on Tuesday 6th February 2018. Co-ordinated in the UK by the UK Safer Internet Centre the event will see hundreds of organizations get involved to help promote the safe, responsible and positive use of digital technology for children and young people.

All children will take part in activities relating to keeping themselves safe online and they will be bringing home a fact sheet explaining how to stay safe on the internet. The UK Safer Internet Centre - a partnership of three leading charities; Childnet, the South West Grid for Learning and the Internet Watch Foundation - provide resources for children, schools and families, and tools for getting involved at [www.saferinternet.org.uk](http://www.saferinternet.org.uk)

## Beid Class News

At the beginning of the term we launched our Ancient Egypt topic with a 'cruise' down the River Nile. We learned about the importance of the river for the Egyptians and the different geographical features that define the country today.

We then took a huge step back in time, almost 5,000 years, to immerse ourselves in the civilisation of Ancient Egypt. Through research, we have learned about food, homes, clothes and life during that period to compare and contrast with today. The next part of the topic is to find out about the importance of the pyramids, design and build a DT pyramid-shaped desert shelter for Howard Carter and learn about his amazing discovery.

Year 5 have also been very lucky to spend time with a paramedic, the fire service and PC Stone this term. They learned about their aspirational responsibilities and listened to important messages about how we can try to keep ourselves safe at all times.
