Thank You

We have raised £350 via the Waitrose Community Matters Scheme, so thank you to everyone who voted for us during January. These funds will be used to plant a fruit orchard so that the children can see first hand how fruit is grown. They will be responsible for nurturing the trees, and over time harvesting and cooking the fruit. We will also use the orchard to develop scientific investigations, looking at which insects pollinate the trees, how they change with the seasons and create new habitats.

On our fundraising day for Emmanuel we raised a fantastic £290.00, so once again thank you for all your support.

Come and Meet Scamp, Yoyo and Phoebe.

The mobile sniffer dog unit are running roadshows in the half term. They will be at Tesco Extra car park on Monday 12th February 2018 from 9am - 3.30pm. Come along and find out what type of work these dogs undertake on a daily basis.

Saturn and Mars Class News

What a Wonderful Bear He Is!

Year 2 have really enjoyed their Paddington Bear topic. Highlights of the topic have included learning about London landmarks and also making marmalade sandwiches! The children chose from a variety of breads, spreads and marmalades and enjoyed putting everything together and then eating them afterwards.

The children also brought their own bears to school and talked about their different appearances and characteristics.

It really has been a wonderful topic.
