

# Barncroft Primary School

Newsletter Number 28 – 28/04/17

**News of the Week** - Monday 1st May is a Bank Holiday back in on Tuesday 2nd May

## Fidget Spinners

Children are welcome to bring these toys into school and we have made them the Craze of the Week next week at lunchtimes. Please note however that if any child is caught playing with these during lesson times then they will be confiscated.

## After School Activity Club at Park Community

This club has now been up and running for a few terms and the feedback we have from the children who attend is that they really enjoy it and the activities that they take part in are great fun.

A member of Active Kids comes to our school at pick up time and then safely walks the children to Park, so you do not need to worry about taking them to the club. Your child can attend as many or as few days as you would like. If you would like to have a look at the club they have a Facebook page, [FACEBOOK.COM/ACTIVEKIDSCIC](https://www.facebook.com/ACTIVEKIDSCIC), so please feel free to take a look. If you would like any further information just visit the office and we can hand you the relevant forms.

## Important Notice

Please do not let any children or siblings play on the Trim Trail before or after school, or run onto the field and in the woodland area. There must be staff supervision for these areas to be used.

Children should not be coming onto school grounds before 8.30am, unless attending Breakfast club. They may wait in the school playgrounds from 8.30am until their class doors open at 8.45am, but there will be NO adult supervision at this time. Many thanks for your co-operation.

## Neptune Class News

We hope you all had a lovely Easter holiday.

Last half term we were very busy learning about animals. We found out about the different groups that animals belong to. Ask us to tell you about mammals, amphibians, reptiles, fish and birds. We were also lucky to have a visit from Zoo Lab and meet some very friendly creatures.

In the last week of term we had a visit from the Hampshire Fire Service. They taught us about staying safe on the streets and at home and what to do if there was a fire. We learnt a rhyme about matches, ask us to tell you it.
