Newsletter Number 30 - 10/05/2019

Y6 SATs Week 13th May - 16th May 2019

Y6 children will not be able to access hot school dinners during the SATs tests week, 13th May - 16th May, due to the timings of the tests. Therefore if any Y6 child requires a school dinner during this period it will be a packed lunch. These lunches are at the normal price of £2.30, unless your child is eligible for free school meals. If you do not wish your child to have a school packed lunch then please provide your child with one from home.

The choices will be as follows:

- Monday - Tuna or Cheese roll
- Tuesday - Egg or Cheese roll
- Wednesday - Ham roll or Pizza
- Thursday - Ham or Cheese roll

Walk To School Week - 13th - 17th May

Our school is supporting Walk To School Week. There are many advantages for walking. These include the chance to teach important road safety skills which can not be taught in the car, to learn about the local environment and chat about the day. It also causes less congestion at the school gate leading to a safer route for all the children. Every child who participates will be awarded a certificate.

Friends of Barncroft

Friends of Barncroft will be holding their Annual General Meeting on 21st May at 2pm. The school is very grateful to all of the parents and staff who give up their time to help the school raise funds. Everyone is welcome to join, even if you can only help at a few of the events. Your time and help is very much appreciated. If you feel you are able to help out at all, please feel free to come along to the meeting to find out more.

Over the next few months Friends of Barncroft will be holding the following events:

- 10/06/19 - Film Night, Y1 - Y6
- 15/06/19 - Father's Day Breakfast
- 28/06/19 - Film Night, YR only
- 28/06/19 - Non Uniform Day for a donation of a bottle for the Summer Fayre
- 05/07/19 - Summer Fayre
- 10/07/19 - Discos, YR - Y5

Please keep a look out for letters regarding these events.

Jupiter Class News

Mini chefs

Jupiter have been busy becoming mini chefs.

Jupiter class has been focusing on many different things to do with fruit and vegetables. We have done a lot of research on the difference between them and experimenting with different ways of preparing fruit and vegetables. We even got to do some tasting!

Over the next couple of days, we will be exploring why we need fruit and vegetables in our life styles and why it is so important to have those 5 a day!

To finish off this topic we will be creating our own vegetable salad or fruit kebab, making it as colourful as possible!

We have also been learning all about Little Red Riding Hood in English, our numbers up to 40 and all about pictorial graphs in Maths.
