We are currently updating our pupil records, so if you have changed your address or phone numbers please go to the office and check we have your correct details. Can you also ensure that we have up to date medical details for your children and advise of any new allergies/intolerances. Also if you have previously advised us of any medical conditions that your child had, but has grown out of please also advise us of this. Saturn Class News

In Saturn class we have been enjoying reading a book called The Clockwork Dragon by Jonathan Emmett.

The book is about a boy who builds a clockwork dragon to fight a mean dragon called Flamethrottle who is terrorising a village.

We know that dragons aren't real! We started to think about other mythical creatures and their features such as scales, claws, horns, wonky eyes and even knobbly legs.

We were so excited about looking at pictures of mythical creatures that we decided to design our own.

What mythical creatures can you think of?
