## Polaris Class News

In Polaris, we have been learning about The Ancient Romans.

We have worked really hard and learnt about what their houses looked like. Harrison was very lucky and got to make one. We became advertisers for the "Local Roman Baths" - writing and recording our adverts on the Ipads.

We then learnt about what sort of food they ate and even became Gladiators. We started the day by eating porridge (it was disgusting!) Then we had to complete our training! We even used wooden swords! It was great fun and it made our diaries, much more realistic!
