Breakfast Club

We are now allowing the Breakfast club children to use the Trim Trail. These children will be wearing bibs for easy identification and will be supervised by a member of the school staff.

Please ensure you do not allow your children to use the Trim trail at this time or after school as the member of staff will not be able to supervise them, only Breakfast club children will be supervised. Please also note that no children should be on the school site before 8.30 am unless attending Breakfast club and if they are on school grounds from 8.30 am - 8.45 am they will have no adult supervision.

Stars Class News

In Stars class we have been working hard on our 'I am amazing' topic.

We thought about how we have changed since we were a baby, what we would like to be when we grow up, and the things we are good at and those we would like to get better at.

We sorted toys, books, computer games and DVDs into those that were suitable for our age and those that were for older children or babies.

We talked about special clothes for different occasions. We enjoyed seeing Mrs Watts' wedding dress and Mrs Dodds dressed in a sari. We are looking forward to Father Jonathan visiting soon to show us his special clothes.
