Important Information

If your child brings their bike or scooter to school please make sure you provide your child with a bike lock everyday. If not they will be removed and you will need to collect at 3.15pm from the site team. The school does not take responsibility for any unlocked bike/scooter whilst on the school grounds. Can we remind parents/carers that riding scooters or bikes on the playground before school and at the end of the day is not allowed. This includes older or younger siblings or adults who are involved in dropping off or collecting your child. Also please be reminded that children are not to climb on any walls or railings that are on the school grounds.

Zero Tolerance Policy

We would like to remind you that we have a zero tolerance policy at Barncroft. Unfortunately, we have had an increase in the number of reports of rudeness being used towards our staff. We would like to ask all adults to think about their behaviour when they are on the school site or when speaking to a member of staff.

We have Lunchtime Supervisory Assistant positions available from September. You will be required to work 6.25 hours a week term time only, which includes INSET days. Stars and Sun Class News

Our first school visit!

While we welcomed this years new intake at school, both classes went on their first every school visit to Staunton Country Park. The children were amazing, well behaved, friendly and a great asset to the school. All the staff we extremely proud of them. They really were a credit to the school.

The pigs seemed particularly popular (although in this heat very smelly) and there were many conversations about the Shetland Pony not being a 'baby horse' and is in fact 10 years old. Well done Year R!
