

Barncroft Primary School

Newsletter Number 37 – 07/07/17

Next week's Craze of the Week is Colouring

Reminders

For the children who will be attending the Fairthorne Trip September 2017, all monies need to be paid by the end of the summer term (25th July 2017). If you are having any difficulties with payments please come and talk to us.

School Summer Fayre is on Friday 14th July 2017. The fayre starts straight after school so please come and join us on the field for fun in the sun.

Important Notice

Please make sure you provide your child with a bike lock everyday, if they bring their bikes or scooters to school. The school can not take responsibility for any unlocked bike/scooter whilst on the school grounds.

Can we also remind all parents that we are a nut free school as we have several children with nut allergies. Could all parents ensure that if they provide their child with a packed lunch that it is completely nut free, so no peanut butter or any kind of chocolate spread that may contain nuts or any other foods that may contain nuts.

Thank for your continued support in these matters.

Gardening Success at Barncroft

Children decorated pots with a variety of colours, materials and objects, to make some fantastic designs for the Garden's in Bloom competition. The judges had a hard time to decide who were winners and praised all those that took part. The winners were :

1st - Kai Minett (Neptune)

2nd - Lauren Smith (Vega)

3rd - Kiri Scott (Sun)

The school received a certificate for "runner up" in the school garden category.

We have also received a trophy and certificate for our entries to Purbrook Horticultural Society of printing a Barncroft flag with vegetables, space garden designs, garden poems, honour a special person and properties of different herbs. The judges said that they enjoyed all our entries and a big well done to Barncroft.

Expressions an Interfaith Calendar

We are very proud to announce that two of our children, have received an "Runners-up" award in the Expressions Interfaith Calendar for 2018. The children had to create a painting, drawing or poem which explored a concept in RE. Well done to Owen Frost in Y4 and Michael Saunders in Y2.

Philosophy Homework

This week's question...

Would you rather have fingers as long as legs
or
legs as long as fingers?

The most popular choice was:
fingers as long as legs.

P4C Learning Cards

This week we have awarded:

2 - Red
8 - Orange
13 - Yellow
7 - Green
8 - Blue
3 - Indigo
1 - White

Vega News

The Summer Term has been very busy in Vega Class! We were lucky to have Miss Marks join us as a student teacher for most of the term. The children really enjoyed working with her and were very sorry to see her go but gave her a good send off with our fancy dress Mad Hatter's Tea Party on her last day. An event that I am sure we will all remember!

We learned about the Romans in the earlier part of the term and the class created some super dramatic performances of the legend of Romulus and Remus and the founding of ancient Rome.

We learned about how our skeletons and muscles work and how to keep our bodies working well with good nutrition and exercise. During Healthy Eating Week, we really enjoyed working with CM Sports when we 'tried something new' in our KS2 aerobics session. We hope that those of you who were able to come enjoyed sharing our learning in our Healthy Living assembly.

Diary Dates

10/07/17 - Kuma Final Assertive Mentoring Meetings
 11/07/17 - Y6 Production - (Oliver) - 5pm
 12/07/17 - Y6 Production - (Oliver) - 1.30pm
