MarvellousMe

We are delighted to let you know that we will be launching an exciting new app called MarvellousMe in September. MarvellousMe is an app that the teachers will use to share wonderful news with you about your child's/children's learning and achievements. The MarvellousMe Parent app is free, fun and simple to use. It will help you to: Talk with your child about their school day. Continue your child's learning and practise topics that they've done in class. Celebrate and reinforce their successes and positive behaviours. You will be able to enjoy MarvellousMe on your smartphone, tablet or online, and can easily share it with partners, carers and family members.

You will receive a letter containing all the details of how you can sign up to MarvellousMe, and your special join code early in September. You can find out more at www.marvellousme.com.

Year 6 Leavers 2018

And so the end is here! After what has been a fantastic year, full of hard work, resilience and personal growth, we say a final goodbye to all of the children in Year 6. The whole of the Year 6 team would just like to say how proud we are of all of the children, and as a school, we wish them all the best for their future endeavours.

The end of year show was a spectacle to behold, and we know every child will continue to shine just as bright as they move onto their new school. Good luck!
