## School Fayre

It is our Summer Fayre on Friday 15th July. The fayre will commence at 3.15pm so please pick your children up at the normal end of day and then make your way onto the field. If the weather is unsuitable the fayre will go ahead but will be held in the hall and corridor. Once again thank you to all our volunteers and parents for their continued support.

## Sun and Stars

The EYFS team have been amazed by the bravery, determination and enthusiasm with which the children have embraced their swimming lessons this year. Many have never swum before or been in deep water. Nearly every child now has the confidence to enter the pool and swim away from the steps, some without any buoyancy aids. Nine of the year group have swum without floats and several have swum a full length of the pool (18m).

We would like to thank the parents for all their support throughout the year. The children have worked so hard and made great progress. We know they are going to continue to do well in Year One.
