

Barncroft Primary School

Newsletter Number 39 – 15/07/2016

News of the Week - Apologies to Jake Conner as his name was spelt Connor on last week's newsletter.

OFSTED

As you will know, the school was inspected this week by OFSTED. We'd like to take this opportunity to thank you for your support and understanding during the two days, and especially thank those who either spoke directly with the Inspectors or who left feedback on the Parent View site. We value everyone's input, and all comments help us to improve and shape the school.

Given the timing of the inspection, so close to the end of term, it is highly unlikely that we will have the approved report prior to the last day of school. If this is the case, we will be unable to notify you of the result of the inspection until September. Like us, you may find this frustrating, but unfortunately there are strict rules that we must abide by relating to the early release of inspection judgements. We thank you in advance for understanding our position, and that of the school, and for not asking individuals to share information.

However, I can tell you that the two day inspection was an extremely positive and useful exercise. The inspection team were thorough, astute and interactive and we were happy to share all aspects of our wonderful school with them. We are confident that when the report becomes available, parents and carers will be happy with the content.

May I take this opportunity, on behalf of the Governing Body, to wish you all a relaxing and safe summer break.

Bugsy Malone

Wasn't it fantastic! We were all so proud of our amazing Year 6 children - outstanding singing, acting and dancing and such a wonderful team achievement. Thank you to all the hard work put in by the Year 6 staff behind the scenes.

Getting ready for next year

I know that parents will already be thinking about school uniform and equipment for next year. Can I remind parents that school shoes should be plain black please. I have noticed too many non-standard shoes in school, with some children wearing grey shoes and others wearing trainers with bright colours, flashes, soles and laces. Please note that these are not school uniform.

Transition Morning

The teachers are in the process of finalising the classes for next year. Children will spend Monday morning getting to know their new class and teacher.

Leavers Assembly

The Y6 Leavers Assembly will take place on Wednesday 20th July at 9.30am in the school hall. All Y6 parents are welcome to attend if they wish and are able to.
