

Barncroft Primary School

Believe Achieve Succeed

Vision Statement R.E

At Barncroft we aim to develop successful learners through Religious Education. We present interesting and important conceptual challenges to all pupils.

We enable pupils to encounter Christianity as the religion that shaped British culture and heritage. As well as this, our pupils learn about other major religions, their impact on culture, Politics, Art and History.

R.E helps to prepare pupils to become responsible citizens by raising issues of local, national and global concern and then placing them in spiritual and moral contexts and understanding that each child has the right to hold different beliefs. This enables pupils to see diverse religions and beliefs as a significant part of the local, national and global community and of human experience.

At Barncroft we believe that this will help contribute to the development of pupils' own spiritual /philosophical convictions exploring and enriching their own faiths and beliefs.
