Hats and Sun Cream

As the warmer weather is continuing please provide your child with a sun hat and sun cream on a daily basis. Please teach your child how to apply the sun cream as we will not be able to do it for them. Any sun cream brought into school will need to stay in school.

Hand Moisturising

As your child(ren) are washing their hands more frequently, we would advise you check their hands and moisturise if needed.

Important information

Following updated government guidelines stated [here](#) clothes are to be washed following a day in an educational setting. If you require any of our pre loved uniform for your child(ren) please send Miss Burgess a message on 07929 876027 with the child's name, size and what uniform you required. We will then have a look through the pre loved uniform we currently have in school and get back to you accordingly.

Online Safety

We have been made aware of incidents of children being groomed through [Snapchat](#) and online platform [OmeGLE](#), also aware of incidents of hacking on the game [Roblox](#) where players are invited to open a 'gift' which turns out to be a camera that takes a photograph. If your child is using these apps/games please be vigilant. To find out more information please refer to [NetAware](#). Perpetrators are fully aware children are online more and the increased opportunity this presents to exploit them. You can sign up to receive updates from NetAware: www.net-aware.org.uk/newsletter/. Parents Protect are a dedicated organisation providing support and advice to help parents/carers protect their children from sexual abuse and exploitation: www.parentsprotect.co.uk/.

The latest ThinkuKnow weekly packs for parents to use with their children focusses on live streaming for the likes of Tik-Tok, these are age specific: [4-5s](#) [5-7s](#) [8-10s](#) [11-14+](#).

Activities this week

This week our children have been involved in lots of fun learning activities in school and at home.

- Making cards for someone special in YR
- Amazing STEM science projects
- Exploring the woods, using telescopes that were made in school

Philosophy Homework

This week's question was...
Would you rather hold a snake

or
kiss a jellyfish?
Hold a snake

Please do not forget to email your teacher your answers

What's for Lunch?

The lunch option for any child/children in school will be school packed lunches with an choice of a Cheese, Egg, Ham or Tuna roll, which includes a piece of fruit, vegetable sticks and a pudding.

The cost will be £2.40, which we are asking parents/carers to pay through the online SCOpay app. YR & Y1 will be universal free school meals, therefore this will only apply currently to any Y6 children in school.

Important Reminder

Following guidance from the Government on minimising risk of spreading Covid-19 the school has implemented a number of measures. This includes introducing a one way system when dropping off and collecting children. We appreciate that this has increased the time it takes to drop off and collect, however we would ask that parents/carers continue to support the school by following the one way system.

P4C Learning Cards

This week we have awarded:

- 11 - Red
- 1 - Orange
- 4 - Yellow
- 7 - Green
- 1 - Blue

STAY ALERT **CONTROL THE VIRUS** **SAVE LIVES**

Caring

Believe, Achieve, Succeed

We hope you are still following our P4C thinking:

Collaborative

Creative

Critical

Non-Screen ideas

How many times can your throw a ball, clap, then catch it in a minute?

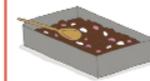

Can you beat your record?

Write a book review about a book you have read recently.

Bake a cake with an adult.

What did you do?

Estimate the area and perimeter of different rooms in your home.

How can you find out if you are correct?

Things you been up to this week.....
