Winter Reading Challenge

Hampshire Library Service is offering many activities at this time including a Winter Reading Challenge and a service called Ready Reads. You can go online, or call, and they will select books for you to pick up at your local library. Go to <https://www.hants.gov.uk/librariesandarchives/library> and all the information you will need it there. If your child is not a library member it is easy and free to join.

Book Review Prize winners

Congratulations to the children who participated in the book review competition which happened before Christmas. Miss Putman, our librarian, gave out prizes to the children who wrote the best book reviews. These prizes included books and book hedgehogs.

Wellbeing for Children and Adults

A new mental health and wellbeing guide for adults is now live, see attachment for more details. It provides information and links to help those ages 18+ in Hampshire find the right support and advice if they, or others around them are struggling right now.

Children's mental health and wellbeing useful information and advice can be found [here](#).

Links to these meeting have been sent to you, please do not join the meeting until your allocated time. at which point you will be held in a waiting area. We will let you into the meeting as soon as the call before has finished.

How can I help minimise the spread of Covid-19 whilst in school ?

- Stay at home if anyone in the household has symptoms or you have been told to isolate
- Follow the one way system whilst on site
- Maintain social distancing at all times
- Anyone over 11 years old should wear a face covering, unless exempt
- Send one person per household to drop off and collect
- Do not arrive before the school gates open

Communication

As we are currently in a National Lockdown, we have set up an area on our Barncroft website with information regarding the closure of the school. This includes any correspondence that has been sent out, please follow this link:
